Letter of Intent

By this letter I, Tom Babcock, submit my intent to seek the open position on Town Council.

Please consider me for the vacancy.

I bring to Town Council my knowledge of the Town Charter, Comprehensive Plan and Land Development Code. I have been a Councilman for the Town of Fort Myers Beach, chairman of the Local Planning Agency, a member of the Historical Preservation Board and a representative on the Charter Review Commission. I have worked with the County and southwest Florida region as a member of the Citizens Advisory Committee to the Lee County Metropolitan Planning Organization, the Southwest Florida Regional Planning Council and vice-chair of the Estero Bay Agency on Bay Management.

I worked on many important issues while on Town Council and have continued to stay abreast of recent issues. I am uniquely qualified to step right in to help Town Council and staff without a learning curve. My involvement in several local organizations provides me with a voice about issues facing the Town. I can fairly and impartially represent Fort Myers Beach issues.

Thank you for your consideration.

Michelle,

Per the request in the paper for volunteers for city council and advisory committees I would like to submit my name.

Per our discussions it appears that I may not qualify for the town council vacancy as I did not register to vote until December 2011.

If registering to vote is the critical factor then I suppose I do not qualify for the town council vacancy. However if there is alternative requirement then possibly I could qualify for living here a year.

Assuming that is not an option I would like to be considered for the Safety Committee.

I would hope my participation in the temporary safety committee would illustrate by desire, commitment and capability to be a positive contributor to this committee.

I have also attached my resume highlights my leadership, management and critical thinking capabilities that will be useful to the positions for which I am volunteering.

Thank you

Should the safety committee position not be available then I would be interested in the LPA should a vacancy be available.

Re: Town Council Vacancy

Dear Council Members:

I hereby submit my name as a candidate for appointment to the Town Council, to fill the vacancy created by the resignation of Mayor Kiker.

I was the first person appointed to our new LPA in 1996, serving two years during which time we completed our award winning Comp Plan. I then served from 1998 to 2004 on the Council, the last four years as Mayor. We completed adoption of the Land Development Code over a six year period. I was Mayor when we acquired the Mound House and Newton properties and the water distribution system. We also completed the Old San Carlos street renovation and numerous public works projects. I later served on CELCAB and am currently on the Town's Audit Committee.

My résumé is attached.

Sincerely, .

September 13, 2012

Dear Michelle:

I understand Larry Kiker has resigned his seat on the Fort Myers Beach Town Council effective October 5, 2012. I would like to submit my resume for consideration by the Town Council to fill the vacant position.

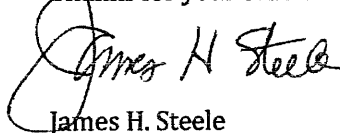

I first visited Fort Myers Beach in the spring of 1998 and realized this is the place for my retirement years and purchased a residence in December. I spent a portion of my winter in Florida and the rest in Indiana, where I was employed by the City of Indianapolis until my retirement at the end of 1999. After a few months of retirement, I needed to be more active and started a financial consulting business for local units of government in Indiana. The winter months would be spent in Florida and the summer months in Indiana. A large portion of the consulting work was in the summer and fall, which fit my schedule well.

I became a Florida resident and registered voter in 2001. As the years passed more time was spent at my Florida residence. I plan on winding down my consulting business this year and sell my Indiana residence in the near future. I am a member of the Lagoon Shores Neighborhood Association, participate in a Sunday morning golf league at Bay Beach and a part owner in a condominium at Leonardo Arms.

I have served as Controller for City of Anderson, Indiana and the City of Indianapolis. Indy is the 12th largest city and the largest city in the country with a AAA bond rating, which was first obtained in 1997, during my term as Controller. My work and consulting experience in Indiana could provide a fresh view in addressing financial issues, identifying operating efficiencies and implementing policies that would provide better service to the public at a lower cost. Serving on your Audit Committee has given me an introduction to the opportunities that exist for the Town.

If fortunate enough to be appointed, I would seek election in the spring and actively campaign to retain the seat.

Thanks for your consideration,

RE: Interim Council Seat Appointment

I would like to respectfully put my name in for consideration for the Interim Council seat that will become vacate with the resignation of Mayor Larry Kiker in October.

I am originally from Indiana, relocated to Ft. Myers Beach in 1989. I have owned two businesses on the Island and have been an active Realtor for over 20 years. I have raised two daughters who grew up in this community. I have been a resident of Ft. Myers Beach and a registered voter since 1989.

I first became involved in the community when we became a town by serving on the Bay Oaks Advisory for several terms both as a member and as the Chair. I have served on the Historical Advisory Committee for several terms and am currently the Chairman.

I served on the LPA from 2000 through 2006. I was reappointed to the LPA in October 2011. I enjoy the work of the LPA and find it to be very valuable service that allows me to stay in touch with the town's current issues as well as future planning and development. I feel that I have a good knowledge of the comp plan and work hard to see the cases that come before us with an open mind.

I hope that you will consider my experience and my interest in filling a seat on the Town Council. I look forward to working with you in the future! Thank you for your consideration.

Sincerely,

SEP 12 2012

RECEIVED BY

September 11, 2012

Dear Town Council:

I hereby apply as a candidate for appointment to fill the interim vacancy on Town Council under the provisions of the charter of the Town.

As a resident of Fort Myers Beach since February of 2004, I have had the honor to serve as member, Vice-Chair and Chair of several advisory committees. Those valuable and satisfying experiences now provide me with the motivation and preparation to pursue service as a member of Town Council. If appointed to the interim seat, I offer my commitment to seek election to the vacancy in March of 2013. Voters will determine if they believe that continuity of my service as their Council representative benefits the Town.

Upcoming issues regarding the infrastructure of the Town, such as the water system, storm water management, boulevard design and use of the former Seafarer's property are of particular interest to me, as well as the complex needs of the community and Town in challenging economic times. I pledge dedicated service to reaching a consensus with fellow Council members so that we may best serve the safety and welfare of the residents, property owners and businesses of our vibrant community while protecting the natural and historic resources that are the jewels of our island.

As my LPA term expires just prior to Town Council's meeting to appoint an interim Council member, it was necessary for me to apply for re-appointment to the LPA. I prefer to serve on Town Council and should I be re-appointed to the LPA and two weeks later be appointed to the interim Town Council seat, I will resign immediately from the LPA. I do wish to continue to serve the Town if it is Council's desire.

Thank you for your consideration of my candidacy for appointment to the interim vacancy on Town Council.

FMB Town Council

September 24, 2012

As a long-time resident of FMB I am quite familiar with the needs of FMB, its businesses, its families, and its guests. In my opinion, Joanne Shamp will be a representative of all of these. As a member of the Marine Resources Task Force, the Historic Preservation Board, and the Local Planning Agency, Ms Shamp has been actively engaged in preserving and improving the town of FMB. Her work with the LPA has familiarized her with the needs of a successful business community. As a full-time local resident since 2005 she understands the advantages and challenges for families living on the beach. She fully understands that a combination of protecting the island, supporting its business community, and satisfied residents leads to an attractive venue for visitors

Joanne is committed to the improvement and advancement of FMB. She knows that a strong community comes from a shared vision of the future and leaders that promote that vision. As Chair of the LPA she shares the vision held by many residents of FMB. She is also very aware that a strong community comes from efficient use of tax payers dollars. Throughout her service on various FMB committees she has strived to be a careful steward of the tax dollars collected by the town.

Ms. Shamp's experiences as a resident and as a member of numerous local agencies makes her an excellent choice for the pending Town Council seat of FMB.

I have been a resident of FMB for 25 years. I have known Joanne Shamp since she moved here 7 years ago and I have seen how she can balance the needs and wants of all the constituents on FMB. Joanne will provide keen insight into planning for the future of FMB.

I strongly recommend her for the FMB Town Council position.

Town Clerk
Fort Myers Beach, FL

Dear Ms. Mayher and Council Members:

I enclose my Resume and am expressing my interest in filling the vacancy on Town Council for the next few months. I believe that my present employer will be able to work with the time needed for Council Meetings, as long as she is aware of the scheduled meetings ahead of time.

I am presently on the CRAB committee and can only offer that I am honestly committed to seeing that Fort Myers Beach continues to be a wonderful community to live in and visit.

As far as personal information beyond my Resume, I am a widow, a mother of two children and have three grandchildren. My son, Kevin, lives in Boston and my daughter, Sarah, lives in Bowie, Maryland. Her husband is a Lieutenant in the Navy (she was also in the Navy.....a graduate of the US Naval Academy).

It seems like it might be a good time to involve myself in public service, if needed..

Enclosed is a copy of my Voter Registration card.

Sincerely yours,

Karen Haengel

TO THE MEMBERS OF THE FORT MYERS BEACH CITY COUNCIL:

I would like to offer my services to you and the community of Fort Myers Beach as a member of city council. I have worked in private business, government, law and education. I have also done volunteer work with many types of organizations and served on the board of a large condominium association. Details are contained in the attached resume'.

I believe I have the ability to see both sides of many questions and I have skills in mediation and compromise. I am a hard worker, having completed all eight years of college while employed. I have appreciated the hard work of the town staff and would carefully read all of their proposals. Although I am a fairly recent year-round resident of the town, I have owned a home here since 1999 and vacationed here since the 1980's. I love the island. It was my long time goal to settle here and contribute to the town, while enjoying our island way of life.

Sincerely,

Rexann Hosafros

This letter is to inform the town of my interest in the opening in the town council. As a local resident of Fort Myers Beach I would like to represent voters and share in concerns that affect the local residents and businesses. I would appreciate the opportunity to have a more effective involvement with the local community and serve as a representative to it.

I have been an active voter in this community for the past five years but have been residing here for fifteen years sharing my time with the northern states. As a local musician I have been involved with many benefits that have raised money for the beach elementary. I have also contributed my time celebrating holidays performing in Time Square.

I feel that my educational accomplishments more than qualify me to be on the council. I have earned two Masters Degrees, one in Business Administration and another in Construction Engineering Management. I am a certified Project Manager and a member of the National Honors Society as well.

I hope you consider me as the best choice to fulfill the position in the Town Council. I know that my past experience as a construction professional and educational accomplishments will more than exceed the qualifications that are needed to represent the people and be a effective asset in the community.

Thank You,
Thomas M. Van Oyen Jr.
